Easy Elegance® Super Hero Shrub Rose

Rosa 'Super Hero'

Height: 5 feet

Spread: 4 feet

Sunlight: ○

Hardiness Zone: 4a

Description:

Gorgeous tea shaped blooms all season long will greet you with a tide of crimson color; neat and compact disease resistant shrub perfect for border and foundation planting

Ornamental Features

Easy Elegance® Super Hero Shrub Rose is smothered in stunning lightly-scented double crimson flowers at the ends of the branches from late spring to early fall. The flowers are excellent for cutting. It has dark green deciduous foliage. The oval compound leaves do not develop any appreciable fall color. The fruits are showy red hips displayed from early to late fall.

Landscape Attributes

Easy Elegance® Super Hero Shrub Rose is a multi-stemmed deciduous shrub with an upright spreading habit of growth. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This shrub will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Spiny

Gertens Plant Info.

Easy Elegance® Super Hero Shrub Rose is recommended for the following landscape applications;

- Mass Planting
- Hedges/Screening
- General Garden Use

Planting & Growing

Easy Elegance® Super Hero Shrub Rose will grow to be about 5 feet tall at maturity, with a spread of 4 feet. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front, and is suitable for planting under power lines. It grows at a fast rate, and under ideal conditions can be expected to live for approximately 20 years.

This shrub should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil type or pH. It is somewhat tolerant of urban pollution. This particular variety is an interspecific hybrid.
